Registration requirements

I acknowledge that the companies concerned may refuse, in whole or in part, to accept me as a voting shareholder, based on legal restrictions on registration. I declare that I am registering the shares for my own account and as my legal and economic property and not on a fiduciary basis or otherwise for any third party.

Authorization for inspection

I herewith authorize Cornèr Bank to make this application available to the companies concerned, or to advise them of the information furnished here as well as subsequent changes. This also applies to changes which Cornèr Bank learns of by virtue of my banking relations.

Power of attorney to transfer (only for registered shares not affected by the Swiss "Bucheffectengesetz")

I herewith authorize the company concerned to endorse or transfer my shares in my name in the event of subsequent sale. This power of attorney also applies to shares previously registered in my name. This power of attorney does not expire upon my death or incapacity and can only be refused by written memorandum and physical submission of the certificates to the company.

Deferred printing of securities / securities in book entry form

I acknowledge that the order to transfer uncertified registered shares as well as to print and to deliver certificates can only be granted through Cornèr Bank. Shares of various companies are available in uncertified form only (securities in book entry form). In such cases the shareholder may not claim to print or to deliver such registered share certificates. However, upon request companies would be prepared to confirm the registered position of the shareholder in writing.
