IN PARTICULAR, CORNÈR BANK LTD. AND THE PROVIDER DISCLAIM ALL RESPONSIBILITY AND LIABILITY FOR INVESTMENT DECISIONS BASED ON THE CONTENT OF THE PUBLICATION OR THE DISSEMINATION OR DISTRIBUTION OF THE MATERIAL TO A THIRD PARTY.

THIS PUBLICATION CONSTITUTES MARKETING MATERIAL AND IS NOT THE RESULT OF INDEPENDENT FINANCIAL RESEARCH. THEREFORE IT HAS NOT BEEN PREPARED IN ACCORDING WITH THE LEGAL REQUIREMENTS REGARDING THE INDEPENDENCE OF FINANCIAL / INVESTMENT RESEARCH AND IS NOT SUBJECT TO ANY PROHIBITION ON DEALING AHEAD OF THE DISSEMINATION OF FINANCIAL/INVESTMENT RESEARCH. THIS PUBLICATION IS INTENDED FOR INFORMATION PURPOSES ONLY AND DOES NOT CONSTITUTE, IN ANY WAY, AN OFFER, AN INVITATION, A SOLICITATION OR AN INDUCEMENT BY, OR ON BEHALF OF, CORNÈR BANK LTD. OR THE PROVIDER TO BUY OR SELL ANY SECURITIES OR RELATED FINANCIAL INSTRUMENTS OR TO PARTICIPATE IN ANY PARTICULAR TRADING STRATEGY IN ANY JURISDICTION.

Opinions and comments of the Authors or the Provider reflect their current views, at any given time and are subject to change at any time but not necessarily of any other third party. Other Provider's entities and/or Cornèr Bank Ltd. may have issued, and may in the future issue, other publications that are inconsistent with, and reach different conclusions from, the information presented in this publication. Cornèr Bank Ltd., Lugano, assumes no obligation to ensure that such other publications are brought to the attention of any recipient of this publication.

SUITABILITY

Investments in the asset classes mentioned in this publication may not be suitable for all recipients and may not be available in all countries. **Potential investors are kindly requested to get in touch with their local financial advisors in order to be informed about the information, the services and/or the products available in such country.** This publication has been prepared without taking account of the objectives, financial situation or needs of

any particular investor. Before entering into any transaction, investors should consider the suitability of the transaction to individual circumstances and objectives. Any investment or trading or other decision should only be made by the client after a thorough reading of the relevant product term sheet, subscription agreement, information memorandum, prospectus or other offering document relating to the issue of the securities or other financial instruments. Where reference to a specific report is made this publication should not be read in isolation without reference to this full report. Nothing in this publication constitutes investment, legal, accounting or tax advice, or a representation that any investment or strategy is suitable or appropriate to individual circumstances, or otherwise constitutes a personal recommendation to any specific investor. Any references to a particular tax treatment depend on the individual circumstances of each investor and may be subject to change in the future. Cornèr Bank Ltd. recommends that investors independently assess, with a professional advisor, the specific financial risks as well as legal, regulatory, credit, tax and accounting consequences.

INFORMATION / FORECAST REFERRED TO

Although the information and data herein are obtained from sources believed to be reliable, no representation is made that the information is accurate or complete. In particular, the information provided in this publication may not cover all material information on the financial instruments or issuers of such instruments. The Provider of the publications and Cornèr Bank Ltd., its subsidiaries and affiliated companies do not accept liability for any loss arising from the use of this publication. Important sources for the production of this publication are e.g. national and international media, information services (e.g. Reuters, Bloomberg Finance L.P), publicly available databases, economic journals and newspapers (e.g. Financial Times, Wall Street Journal), publicly available company information, publications of rating agencies. Ratings and appraisals contained in this publication are clearly marked as such. All information and data used for this publication relate to past or present circumstances and may change at any time without prior notice. Statements contained in this publication regarding financial instruments or issuers of financial instruments relate to the time of the production of this publication. Such statements are based on a multitude of factors which are subject to continuous change. A statement contained in this publication may, thus, become inaccurate without this being published. Potential risk regarding statements and expectations expressed in this publication may result from issuer specific and general (e.g. political, economic, market, etc.) developments.

RISKS

The price and value of, and income from investments in any asset class mentioned in this publication may fall as well as rise and **investors may not get back the amount invested**. Risks involved in any asset class mentioned in this publication may include but are not necessarily limited to market risks, credit risks, political risks and economic risks. The investor may be exposed to **currency risk**, because the product or underlyings of the product are denominated in other currencies than that of the country in which the investor is resident. The investment as well as its performance are therefore exposed to currency fluctuations and may increase or decrease in value. Particular risks in connection with specific investments featured in this publication are disclosed in the relevant product term sheet, subscription agreement, information memorandum, prospectus or other offering document relating to the issue of the securities or other financial instruments. These documents can be obtained, generally free of charge upon request, from the respective issuers. Investments in emerging markets are speculative and may be considerably more volatile than investments in established markets. Clients should not be investing in the product unless they fully understand the feature and risks associated with it. In particular but without limitation to, there are significant risks involved in trading foreign exchange market and financial derivatives such as futures, options, CFDs (Contracts for Difference), warrants, turbos, certificates or similar financial products. Investments in these financial products require accumulated experience and in-depth knowledge in the relevant financial instruments. Cornèr Bank Ltd. strongly recommends seeking the advice of an experienced independent financial professional. **Past performance is not a reliable indicator of future results. Performance forecasts are not a reliable indicator of future performance.**

Cornèr Bank Ltd. and its subsidiaries companies (the "Group") may enter into transactions for their own account or for the account of other investors that are related to financial instruments that may be mentioned in this publication. Furthermore, the Group may have or have had a role in the issuance of a particular financial instrument of the relevant companies. Accordingly, conflicts of interest may arise between the Group and the investor. If so, the Group strives to provide fair and equitable treatment of such conflicts.
